Cold

But good 'fridge rolls

Laura's Refrigerator Rolls

1 package yeast.
½ cup sugar.
1 teaspoon salt.
6½ - 7 cups of flour.
1 cup milk.
½ cup water.
2/3 cup shortening.
1 cup mashed potatoes.
1 egg.

Mix yeast with two cups of the flour and other dry ingredients in a large mixing bowl. Heat milk, water and shortening until very warm. Add to dry ingredients along with potatoes, egg and another cup of flour. Mix well with electric mixer. Remaining flour may be mixed in with dough hook or kneaded in. Refrigerate. Within several days form dough into rolls. May be rolled like biscuits and cut out to make parkerhouse rolls. Melt several tablespoons of margarine in baking pans, coat each side of roll in the margarine, then let rise 1½ hours or freeze for up to a month. If frozen, allow 3 hours to thaw and rise. Bake at 400 degrees for 15 minutes. Makes about 4 dozen rolls.

Many thanks to Mrs. Laura McClenny for sharing this delicious hot yeast bread.

Mom's corn bread

1 cup cornmeal.
½ cup all-purpose flour.
4 teaspoons baking powder.

1 egg, lightly beaten.
¼ cup oil.

A honey of a pear recipe

Lena's Pear Honey

1 gal. pears, peeled and crushed (these can be crushed in a food chopper or blender).
4 large oranges (wash thoroughly, juice and seed and then chop rind in food chopper or blender).
4 cans crushed pineapple (15-¼ oz. cans).

Mix all fruits well. Measure 1 cup fruit mixture to 1 cup sugar. Cook over low to medium heat, stirring frequently. This must be done to keep pear honey from scorching.

Cook until syrup is the color and consistency of light honey. Seal in sterilized jars. You may add paraffin if you wish. This pear honey will keep for two years.

Note: This recipe is a favorite of Mrs. Lena Eversole's If you have ever eaten any of her pear honey, your mouth will water as you use this recipe. This pear honey is delicious on hot buttered biscuits or toast for breakfast. It is equally as good drizzled over a scoop of vanilla ice cream as a dessert.
